

**ABOVE: BOYS FINISH 3<sup>RD</sup> IN BURNET. (L-R) PALMER SMITH, JASON PROTASS, LOGAN ZAVALA, STEVEN SEVERANCE, SAM BUTLER**

### **Boys finish 3<sup>rd</sup> in Burnet!**

Jamodi!

The Cavalier Boys Team sent a squad of 4 Juniors and a Freshman to the Burnet Invitational last weekend at Delaware Springs and Legends Golf Club. The guys fired a solid first day score of 329 to put them in a tie for 3<sup>rd</sup> place heading into the final round. Palmer Smith lead the first day charge with a round of 78. Steven Severance followed with an 81, Jason Protass and Logan Zavala both shot 85 and Sam Butler added an 88. The second day saw cool morning temperatures cause a bit of a slow start for the Cavs. We did get the ship headed back in the right direction but unfortunately it wasn't enough as our 2<sup>nd</sup> round team score of 340 landed us in 3<sup>rd</sup> place, just 3 shots back of 2 teams that tied for first place. Palmer Smith again lead the way with his round of 81, placing him 2<sup>nd</sup> overall in the tournament! Steven Severance continued his consistent play with another round of 81, while Jason Protass shot 87, Logan Zavala 91, and Sam Butler 97. Although we came up a little short the guys did a great job of continuing to work on our mental toughness and being as prepared as possible every time out. We are working on mental toughness in practice and

we are definitely starting to see the benefits. Being prepared is something we stress every day as well, whether it's knowing the weather, having an extra glove, or even making your own yardage book, we pride ourselves on our preparation.

### **Gillman in Faldo Final**

Kristen Gillman is spending this week in West Virginia as she is one of only 2 American girls chosen to play in the Faldo Series Grand Final event host at this historic Greenbrier Resort that has hosted countless professional events. Live scoring for the event can be found at [faldoseries.info/](http://faldoseries.info/)

What a great honor for Kristen, this is a testament to all of her hard work and commitment to improve daily. All of your kids are doing a great job thus far this year really buying into the process of improvement and realizing that if will be difficult, it will take time, it will require sacrifice, and it will be WORTH it.
