

THE JV GIRLS AFTER FINISHING 9TH AT THE GEORGETOWN INVITE AT BERRY CREEK.

JV Girls start the year in Georgetown

JAMODI!

The team of Michaela Francisco, Natasha Fisher, Alexandra Palma, Caroline Storm, Macie Slane, and Kaley Eichinger all made their season debuts in Georgetown and brought home 7th place in a very competitive field. Five of these young ladies were playing in their very first high school and they all did fantastic. All of them have been working very hard on their putting in our 5th period class. We are excited to have these young ladies in our program and excited to watch continue to improve over the next few years.

Caroline Storm	104
Macie Slane	112

Boys finish 4th at Berry Creek

Jacob Rodriguez led a team of Cavs that included Jack Gist, Steven Severance, Christian Gurley, and Logan Zavala to a 4th place finish at the Georgetown Boys event held at Berry Creek. JRod's round of 74 carried him to a 5th place finish individually and a spot on the All-Tournament Team. The guys have been doing a great job working to improve their short games, as well as their mental toughness and we are already starting to see this pays dividends. Next Monday we host the Fall State Preview at Onion Creek, which annually hosts one of the strongest fields in the State. We have 2 teams of boys playing plus a medalist, so come out and support the Cavs as they take on the State's best while playing 36 holes in one day!
