LAKE TRAVIS CAVALIER GOLF

GIRLS STATE CHAMPIONS 2013

The Varsity Boys Team of Andrew Liu, Jack Gist, Nick Winborn, Austin Campbell, and Dillon Baxter finished 4th last weekend at the Central Texas Shootout in Waco. This event, hosted at Cottonwood which is where the Region II Tournament will be in the Spring was originally set to be played the weekend before Thanksgiving due to inclement weather. Good call there, last weekend was bad weather as well. The Cavs fought the difficult conditions with great mental toughness and finished round 1 just 3 shots out of the lead. Low temps and fierce winds proved to be the downfall for the Cavs during round 2 as they slipped to 4th place 13 shots back of eventual winner Westlake. Andrew Liu led the Cavs with rounds of 74-79 to finish 4th overall. Austin Campbell shot 79-77 to finish 9th.

Andrew Liu Finished 4th and committed to play at St. Edwards this week!!

Happy Holidays from LTCavGolf

We hope that everyone has a great 2 week break from school and homework...enjoy some time with your family and friends and be grateful for all that we have been given. Remember, that to whom much is given, much is expected. We start competing almost immediately next semester, so be prepared, we cannot wait until Jan. 7th to start preparing. LTCavGolf has elevated to where it is today because players before you have made sacrifices. Most people aren't willing to do the things needed to great, continue to hold yourselves to "our standard" so that we can continue to enjoy the successes we've had in the past. Read the Helpful Hints, remember the 4 C's, and I'd do some running, those 18-110's are gonna be fun the week we get back!
